

# WEST VIRGINIA WESLEYAN COLLEGE

## 2011 McLaughlin Chemistry Scholarship

### Scholarship Information

The Chemistry Department at West Virginia Wesleyan is pleased to offer competitive scholarships of \$500 and up per year. The McLaughlin Chemistry Scholarship, provided through a generous gift from the estate of Nellie V. and M. Kathryn McLaughlin, is renewable for four years of study provided the student majors in chemistry and maintains a minimum 3.0 GPA.

### Requirements

The successful candidate must have a 3.5 cumulative grade point average with a minimum mathematics SAT score of 600 or minimum ACT mathematics score of 26.

### Notification of Award

The McLaughlin Chemistry Scholarship is solely based upon academic record, work submitted, faculty evaluation, and the potential a student demonstrates to be successful in the Wesleyan Chemistry Department. Students awarded the McLaughlin Chemistry Scholarship or chosen as alternates will be notified after March 1.

### Application Process

*The steps to apply for the McLaughlin Chemistry Scholarship are as follows:*

- Submit a completed Application for Admission (including transcripts, ACT and/or SAT scores and High School Academic Request Form). Applications for Admission are available from the Office of Admission or online at [www.wvwc.edu](http://www.wvwc.edu).
- Complete the McLaughlin Chemistry Application and return it with all materials before March 1.
- Submit a letter of recommendation from a high school science instructor.
- Submit a graded high school chemistry lab report, project, or paper.
- Applicants will be contacted by a Chemistry faculty member by phone and *may be* asked to visit Wesleyan's campus on a weekday to complete an interview.

### Set Up a Campus Visit

The Office of Admission welcomes you to visit the campus Monday-Friday. When you visit, you will have the opportunity to tour the campus, attend class, eat in the French A. See Dining Center, and visit with current students and faculty. When setting up your visit, it is important to mention that you have applied for the McLaughlin Chemistry Scholarship so we can inform the Chemistry faculty. Call 800-722-9933 to arrange a visit. Please give us five business days notice to plan a visit that meets your needs.

Please complete application on reverse. **Deadline is March 1, 2011 but early submissions are encouraged.**
