

**West Virginia Wesleyan College
Budget Payment Plan Enrollment Form**

At West Virginia Wesleyan College we understand that paying for a college education is a large investment for you and your family. However, by using our Budget Payment Plan you can defer the cost of tuition and distribute your payments over a 10-month period.

In order to serve you better, Wesleyan has implemented the Budget Payment Plan, an interest-free monthly payment option. For a yearly fee, you can participate in this program. If your total included in the Payment Plan for the 10 months is \$1000 or more, your yearly fee is \$100. If you are budgeting less than \$1000 over the 10-month period, your yearly fee is \$25. If you are enrolling for only one semester, your fee is \$50.

Enrollees in the Budget Payment Plan will deal solely with West Virginia Wesleyan College, a partnership that we believe will benefit you since we are familiar with your financial package and your needs.

On the reverse side, you will find a worksheet to help you calculate your expenses and determine your estimated monthly payment. If you choose to enroll in a Budget Payment Plan, you must complete this enrollment form and return it along with your plan's "Total Amount Now Due", before August 1.
