For students classified as transfers, FYEX course requirements are dependent upon total transferrable credit hours.

➤Except in specifically approved majors, a maximum of 52 hours in an academic discipline may count toward graduation. Three hours over the limit may count to accommodate an internship in the discipline.

➤ Only six hours of any minor may overlap with the required credit hours of a student's chosen major. The overlap constraint is not applicable to courses that majors or minors MUST take in others departments.

➤Students double-majoring in history and political science are required to complete both Senior Seminars (HIST 497/POLS 499) and Comprehensive Exams for each major.
