New General Education Curriculum (Only for Fall 2020 new students opting in)

Courses satisfying both the required foundational scientific inquiry and foundational quantitative analysis are noted in the comment column. Courses satisfying any of the five lens categories are identified by the respective codes in the comment column with a key listed at the end of the course schedule. A new general education curriculum will be made available on the website soon.

Student Course Overloads

A full-time course load is between 12 and 17 total credit hours. Students who meet the criteria for a course overload will be permitted to enroll in 18 hours. Eligible students are those with at least 30 earned hours with a 2.75 cumulative GPA. **Either you or your advisor must obtain prior approval from Academic Service by emailing a request to registrar@wwvc.edu before an overload will be accepted in WebAdvisor.** Enrollment in more than 18 hours requires authorization from the Academic Dean. The course enrollment authorization form is available on line under Academics/Academic Services/Academic Forms-Students.

Music Ensembles

All students who will be participating in a music ensemble must register for either zero or one hour of credit. All music ensembles are listed as MUSC-149. Only 8 ensemble credits may apply toward the 120 hour minimum required for graduation. Applied music courses should correspond to student class level (sophomores should enroll in 200 level, juniors in 300 level, etc.)

Course Alternates

If a course is closed, please select one of your alternate courses. The Academic Services Office will not place students in closed general studies courses – please review other options during your advising session so that your advisor can use alternate courses as needed.

If you are not planning to return to Wesleyan for the fall semester but are not certain of your plans, we encourage you to preregister. If you are certain that you will not return for Fall 2021, please complete an Intent to Discontinue Form available online under Academics/Academic Services/Academic Forms-Students. If you do not complete an intent form and do not preregister, you will NOT be billed for the fall semester and you Financial Aid may be cancelled.
