Policies regarding transfer of credit:

1. Grade and quality points earned at another institution will not eliminate a deficit that may exist on work completed at WVWC.
2. If repeating a course that was taken at WVWC with a grade of C- or below, both grades will factor into the GPA (but earned hours will count only once).
3. At least 24 of the final 30 hours required for degree completion must be taken in residence at WVWC.
4. The other institution may require a statement of good standing and/or a transcript from WVWC ; it is the student's responsibility to check on this.
5. No credit will be recorded until an official transcript is received by WVWC's Office of the Registrar. We accept both hard and electronic copies.

***I have read the policies and have been given the opportunity to ask for clarification.
 I understand that it is my responsibility to request an official transcript sent to
 "WVWC Office of the Registrar" when all work has been completed.***
