# Wesleyan Service Scholars <br> Program Model 

- Acts as community liaison
- Access to student volunteers
- Invite community
partners into an agreement
 Scholar volunteers each semester

- Make connections between direct service and larger social issues
- Provide critical feedback through one-on-one meetings and educational trainings

- Provide feedback to change programming options either formally during one-on-one meetings or informally
- Provide feedback about volunteer experience through one-on-one meetings
- Influence their peers
- Share knowledge of community needs, becoming community liaisons
