➤Accounting majors may not declare a second major in business administration, management, marketing or sport business. Only six credits of any minor may overlap with the required credit hours of a student's chosen major.

➤Except in specifically approved majors, a maximum of 52 hours in an academic discipline may count toward graduation. Three hours over the limit may count to accommodate an internship in the discipline.

➤The following limits apply when counting hours applicable toward the 120 required for graduation: 4 hours of physical activity (EXSC) and 8 hours of Music ensemble.
