REMINDERS

1. Accounting majors should begin their accounting courses in their freshman year! Students who are not 100-level math placed should enroll in DEVL-070, Developmental Algebra in the fall semester of the freshman year.
2. Do not take more than one three-hour business elective.
3. Remind students that they may want to save their business elective for an internship experience.
4. Only six hours of any minor may overlap with the required credit hours of a student's chosen major. The overlap constraint is not applicable to courses that majors or minors MUST take in others departments.

*DEVL-070 is required for enrollment in BUSI 111 for students who are not 100-level math placed.

➢Accounting majors may not declare a second major in business administration, management, marketing or sport business.

➢Except in specifically approved majors, a maximum of 52 hours in an academic discipline may count toward graduation. Three hours over the limit may count to accommodate an internship in the discipline.

➢ Only six hours of any minor may overlap with the required credit hours of a student's chosen major. The overlap constraint is not applicable to courses that majors or minors MUST take in others departments.
