Verification Form for Commuter Status

West Virginia Wesleyan College (WVWC) is a residential institution and features residence hall education focusing on student learning and personal development as part of its distinct academic mission. **Therefore, students are required to live on campus unless a student will be living at home or with an acceptable family member; parent, grandparent, legal guardian (no exceptions), or graduated from or was home schooled in Barbour, Lewis, Randolph or Upshur Counties. Other requests may be made but are subject to review.**

If a student wishes to apply for commuter status, this form must be completed in its entirety and in the presence of a Notary Public. This form must be resubmitted yearly for approval. If Commuter Status is granted and a student's residency changes during the Academic Year, the student must resubmit this Verification Form with the updated information.

Commuter Form Due in Campus Life by April 1st each year

This form does not guarantee that Commuter Status will be granted.

If a student is approved for off-campus living status, the student's financial aid award package will be reassessed. Because students living off campus pay reduced direct costs to the College, there will be a \$2,000 reduction in institutional gift aid.
