Family Educational Rights and Privacy Act (FERPA) and Access to Institutional Records

West Virginia Wesleyan College, as required by law, guarantees students, who are or have been registered at the College, the right of access to official records directly related to the student. This includes the opportunity for a review process to challenge such records claiming they are inaccurate, misleading, or otherwise inappropriate. West Virginia Wesleyan College is committed to the welfare and privacy of our students. The College shall make every effort to obtain written consent from the student before releasing health information in a non-emergent situation.

Generally, the College must obtain written consent from the student before releasing personally identifiable data from a student's education record. However, FERPA allows these records to be shared, without consent, to the following parties or under the following conditions:

- College officials with legitimate educational interest;
- Specified officials for audit or evaluation purposes;
- Appropriate parties in connection with financial aid to a student;
- Organizations conducting certain studies for or on behalf of the College;
- Accrediting organizations;
- To comply with a student conduct order or lawfully issued subpoena; and,
- Appropriate individuals in cases of health and safety emergencies.

The student's education record includes information in the Offices of Admission, Financial Aid, the Registrar/Academic Services, and Student Development, as specified in the written College policy. Students may both inspect and request copies of this information at their expense. In the implementation of this policy provided for by the Buckley Amendment, there are several factors which students should note:

- Copies of our complete policy on the Family Educational Rights and Privacy Act (FERPA) are available to students in the Office of Student Development.
- Final grade reports are available to students and their faculty advisors through their online Self-Service account.

Certain types of information are classified as public or "directory" information and may be disclosed without a student's written consent. These are name, home address, telephone numbers (cell and home), campus email address, campus box number, major(s)/minor(s), class level, participation in officially recognized activities and sports, height/weight of athletic team members, dates of attendance, and degrees and awards received. Students wishing to prevent disclosure of any aspect of directory information must file a request with the Office of the Registrar.

The College does not provide mailing lists to any third party for either commercial use or for solicitation of any product or service.

In addition to a procedure for a hearing on campus regarding the information included in a student's file, an office has been established by the U.S. Department of Education to investigate and adjudicate alleged violations of /failure to comply with FERPA regulations.
