REMINDERS

- Accounting majors should begin their accounting courses in their freshman year! Students who are not 100-level math placed should enroll in DEVL-070, Developmental Algebra in the fall semester of the freshman year.
- Do not take more than one three-hour business elective.
- Remind students that they may want to save their business elective for an internship experience.
- Only six hours of any minor may overlap with the required credit hours of a student's chosen major. The overlap constraint is not applicable to courses that majors or minors MUST take in others departments.

*DEVL-070 is required for enrollment in BUSI 111 for students who are not 100-level math placed.

➤Accounting majors may not declare a second major in business administration, management, marketing or sport business.

➤Except in specifically approved majors, a maximum of 52 hours in an academic discipline may count toward graduation. Three hours over the limit may count to accommodate an internship in the discipline.

➤ Only six hours of any minor may overlap with the required credit hours of a student's chosen major. The overlap constraint is not applicable to courses that majors or minors MUST take in others departments.
