February 2nd, 2024

Dear Director,

We hope this letter finds you well in the midst of ratings preparation and other Spring activities. We invite you to prepare students for Wesleyan's JazzFest Honors Big Band, April 13-15!

Wesleyan boasts a proud tradition of academic excellence and artistic merit. Our groups have performed concerts all over the country; we are proud of the students on campus and those who have graduated. Many of the area directors and educators are proud Wesleyan alumni!

Enclosed, please find a description of the WVWC JazzFest. Students will have a chance to work with world renowned jazz players, hear the Wesleyan jazz groups, and collaborate with other jazz ensembles around the state. You can find more information on our website (www.wvwc.edu/jazzfest). Audition materials will be posted on February 15th with a deadline for submission being March 7th. Final selections will be announced on March 21st.

We look forward to having you and your students on campus and please feel free to contact us with any questions,

Sincerely,

Tyler Perske
