

# FALL 2024

## STUDENT PREREGISTRATION INFORMATION

The Fall 2024 course schedule and supporting materials are available online via the Wesleyan homepage under Students/Academic Services/Course Schedule Information. Please watch the Self-Service tutorial video available on the website under Students/Academic Services/Self-Service prior to preregistration to familiarize yourself with the process and carefully read the Self-Service Preregistration Instructions.

Preregistration will proceed according to the credit hour schedule below. Students are responsible for entering their preferred schedule via Self-Service following the online Self-Service instructions posted in the preregistration material. Your advisor may approve your schedule only **during the designated time period listed below based upon credit hours earned**. Please refer to the preregistration email you will receive indicating your earned credit hour total and academic advisor.

### **Advisor Appointments**

Contact your academic advisor in person or via email to inquire about the process for scheduling an advising appointment. Using the appropriate advising checksheet (available on the Wesleyan website under Students/Academic Services/Major Checksheets and listed by catalog year), plan a tentative schedule for the fall 2024 semester prior to your appointment time. Once you and your advisor have agreed upon your proposed schedule and you have entered the schedule through your Self-Service account, your advisor may then access and approve the course schedule during the corresponding time below.

### **Academic Services Support**

If you have advising or scheduling questions during preregistration, please feel free to email [registrar@wwvc.edu](mailto:registrar@wwvc.edu) or stop in the Academic Services Office, 1<sup>st</sup> Floor of the Lynch-Raine Administration Building.

### **Not Returning in the Fall?**

If you are not planning to return to Wesleyan for the spring semester but are not certain of your plans, we encourage you to preregister. If you are certain that you will not return for Fall 2024, please complete an Intent to Discontinue Form available online under Students/Academic Services/Academic Forms-Students. If you do not complete an intent form and do not preregister, you will be billed for the spring semester.
