

September 16th, 2024

Dear Director,

I hope that this letter finds you well and in the midst of a successful marching band season. As the coordinator of the Wesleyan Honor Band, I am pleased to invite your students to apply for membership in the North Central West Virginia Honor Band on November 17th-19th.

Wesleyan boasts a proud tradition of academic excellence and artistic merit. Our groups have performed concerts all over the country; we are thrilled about the students on campus and those who have graduated who continue raising the bar for the arts. Many of the area directors and educators are distinguished Wesleyan alumni!

Enclosed, please find a description of the WVWC Honor Band, student application form, and information about Dr. Mike Fansler and David Maccabee, this year's guest conductors. We kindly ask that you please return applications no later than Friday, October 18th. You may find a fillable pdf and online registration forms on our website at wvwc.edu/ncwvhb. You can also fax or e-mail PDFs of the application directly to me at bands@wvwc.edu. We also have scholarships available to students who require additional financial assistance to attend this year's event.

We look forward to having you and your students on campus and please feel free to contact us with any questions.

Musically,

A handwritten signature in black ink, appearing to read 'Robert Palmer', with a long horizontal flourish extending to the right.

Robert Palmer, DM
Director of Bands
