**Verification Form for Commuter Status**

West Virginia Wesleyan College is a residential college. Therefore, residence on-campus or in campus-owned housing is required for four years. Scholarships and financial aid at West Virginia Wesleyan are based off of a total cost for tuition, room, board, and fees. If a student is permitted to commute or live off-campus, in accordance with policy outlined in the Student Handbook, the student's financial assistance funded by West Virginia Wesleyan (academic scholarships, grants) will be reduced.

Commuter status may be obtained if a student will be living at home or with an acceptable family member; parent, grandparent, legal guardian (no exceptions), or graduated from or was home schooled in Barbour, Lewis, Randolph, or Upshur Counties. Other requests may be made, but are subject to review. Since Wesleyan scholarships and grants are based on a full cost for tuition, room, board, and fees, any student approved to commute or live in non Wesleyan-owned housing will have their aid offer revised. Effective beginning in the Fall of 2024, West Virginia Wesleyan financial aid will be scaled to the student's direct cost of attendance.

If a student wishes to apply for commuter status, this form must be completed in its entirety and in the presence of a Notary Public. This form must be resubmitted yearly for approval. If Commuter Status is granted and a student's residency changes during the Academic Year, the student must resubmit this Verification Form with the updated information.
