North Central West Virginia Honor Band Scholarship Information

Greetings from WVWC Bands! For some, one of the most challenging components in attending an honor band festival is the associated cost. We believe the opportunity to participate in these events outweighs the financial gain we may incur because of them. The Honor Band Scholarship Program is geared towards reducing the cost of this event, and in some cases, eliminating it for those in need. The requirements for the scholarship program are listed below. These must be filled out to completion with the student's application. Given its sensitive nature, I encourage you to talk with students and their families individually about this opportunity, as it is geared towards those most in need. Should you have any questions, do not hesitate to contact me.

Requirements

- ❖ 1-page essay on what being in band means to you (1/2 page for Middle School participants)
- ❖ Reason for need
- ❖ Affirmation from the director of financial sincerity

Musically,

A handwritten signature in black ink that reads 'Eliza N. Taylor'.

Eliza N. Taylor MM BME
